### $$$ Subjects Needed $$$

Individuals who have experienced a stroke are needed for participation in studies of visual recognition and perception.

You may take part in this clinical trial if you:
- Have experienced a stroke
- Are between the ages of 18-100 years old

What will you have to do?
- Spend up to two hours at the Martinez VA
- Looking at pictures presented on a computer screen and responding verbally or with button presses
- There is an option to have an MRI. This is not required

You will be compensated for your participation.

If you are interested in participating in this study or if you have questions please contact:
- Lynn Robertson
- Department of Veteran Affairs Martinez
- 150 Muir Rd 151-I
- Martinez, CA 94553

Contact us at:
- Phone Number: 510-642-6266
- Email: RobertsonLab.ucb@gmail.com

Subjects must be at least 18 years of age.
